“Prattler”

January 2011

Happy New Year! God has blessed all of us to see a new year. We are grateful for the fact that the Lord always allow us to start fresh. We hope you all had a joyous Christmas holiday.

It's second semester! Our preschoolers are so grown up as we compare them to September. We hear from so many of you how you have noticed a change in their development and how much they are learning. It is amazing to us how quickly they learn and how eager they are to explore the world around them. Preschoolers develop at their own individual rate; some are learning to read while others are sorting out colors and shapes. It is important to work with your child on his/her skills; however, it is equally important that you do not rush or pressure the preschool learner. Make it fun and a happy experience between parent and child. It may help to have a special time set aside each day for skill practices. Skills to work on at home are: cutting, letter sound and number recognition and proper printing of the letters and his/her phone number, birth date and address. While reading to your child, stop and ask him/her to point to the color red or the letter J, etc. Count the stairs as you go, have them cut out pictures from old magazines. Most of all, Enjoy each other!

Thank you

All of us here at North Hills Christian Preschool would like to thank our wonderful parents for your gifts and appreciation that you have shown us during the Christmas season. We really appreciate your thoughtfulness.

Registration

Registration for the upcoming school year 2011-2012 will begin February 1. Children entering Kindergarten in the Fall will be eligible to register. Testing may be done at a later time and acceptance to our Kindergarten program will be based on successful completion of our Kindergarten Diagnostic Testing.

Valentine's Day Chapel

Our next Preschool Chapel will be held on Wednesday, February 9, 2011 @ 9 a.m. in Dodson Hall. Each class will present songs, memory verses, poems, etc. This is an opportunity to enjoy watching your children develop self-confidence, self esteem and most of all sing their hearts out to the Lord.

Staff Changes

We say "so long" to Ms. Jenny & Ms. Kellie...Ms. Jenny is going back to school full time to pursue her Early Childhood Education. We are happy for Ms. Kellie for she and her husband, Mr. Chan, who is our high school Chemistry teacher for they are expecting their baby. We are happy to have Ms. Debi helping us in the afternoon and some mornings as well. Ms. Debi is no stranger to North Hills, she has been with NH for almost 20 years.
