“Prattler”

May 2011

Hard to believe but it's May already and the end of our academic year is upon us. Thank you to all the parents for sharing your children with us. We are truly honored that you have chosen North Hills Christian Preschool to be your child's first school experience. Your child is a blessing!

A Mother is a child's first teacher. Being a mother is definitely the “hardest job in the world” and it is also one of the most rewarding and important jobs in the world. All mothers share the awesome task and privilege of guiding their children into mature and responsible adults. As we all know, there are many laughs, tears, battles and triumphs along the way. The entire staff of North Hills Christian Preschool would like to say how much we appreciate you and all that you do. We wish each of you a Happy Mother's Day!

To celebrate all our wonderful mothers, we will be having a Mother's Day Tea on Friday, May 6 from 10-11:30 in the Preschool Playground. Please plan to attend this special event. Mothers will be showered with specially made crafts, be entertained with adorable songs and best of all spend time with their biggest fan.....their child! We also welcome grandmas, aunts and godmothers if moms cannot attend.

“Her children arise and call her blessed; her husband also, and he praises her. Many women do noble things, but you surpass them all. Charm is deceptive, and beauty is fleeting; but a woman who fears the LORD is to be praised. Honor her for all that her hands have done, and let her works bring her praise at the city gate.” Proverbs 31:28-31
