

Going to Walmart, Sams Club, Macys, Starbucks, Safeway?

Need a gift card to the movies, department stores, restaurants, etc.

Does your busy schedule make it difficult to participate in school activities?

If you answered **YES**, to any of the questions above **SCRIP** is the answer!

So, what exactly is scrip?

Scrip is a term that means “substitute money”. When you purchase scrip, you’re purchasing negotiable gift certificates and prepaid cards that are used just like cash. You can use scrip to purchase everyday expenses like food, clothing, and other essentials, and with every purchase, you earn revenue for North Hills Christian School.

Where do the gift cards come from?

Great Lakes Scrip Center (GLSC) purchases the gift cards directly from the retailers. The gift cards provided are the same as if you went to the participating retailer and purchased them yourself. We save you time and gas by purchasing them through North Hills Christian School.

Does it cost anything to participate?

There are no fees associated with purchasing or activating gift cards through GLSC. Simply pay the face value for the gift cards you order.

3 Easy Steps

- Get a Scrip form from the office and select the store and quantity of your items
- Bring your completed form to the office or send with your child in an envelope with cash or check
- Receive your scrip and start earning \$\$\$ for NHCS

So what’s stopping you?

Good question. You’ll have to answer that one yourself. Or better yet, if you have specific questions, feel free to contact the office at 644-5284.
